

MAKE A MAGIC WAND!

1. Color and decorate your star! This will be the top for your wand.
2. Carefully cut out your star. If you need help, ask an adult to help you.
3. Take your craft stick and peel off the backing of the glue dot.
4. Stick your glue dot to the star. Make sure it is secure!
5. Ta-da! You now have your very own magic wand.
