United Arts Donor Recognition - 2021

United Arts of Central Florida, a 501(c)(3) nonprofit organization, supports more than 75 art, science and history organizations by raising and distributing funds, securing and facilitating contracts for services, including life-changing K-to-12th-grade educational programming, and providing technical assistance, and administrative and advisory services.

Since 1989, United Arts has invested more than \$170 million in local arts and cultural organizations, and through them, the diverse Central Florida community. United Arts is deeply grateful to all of its donors and community partners for their investment in and support of Central Florida's nonprofit creative industry and the enormous impact it has on our lives each and every day.
