Stephen Pugh | Backstage Run Crew

Proudly a part of the Orlando REP for the past 15 years, Stephen has been honored to be both onstage and backstage. Being with such a crew allows him to pay respect to all aspects of theater. Having worked in the wings of shows like *Bob Marely's Three Little*

Birds, *Pete The Cat*, and now *The SpongeBob Musical*, he can proudly assist and applaud the work that his peers present. Whether it is building sets, spotlighting, stage crew or even housekeeping, Stephen will continue to constantly make sure that all audiences see what true heart for the arts means as he strives to be here whenever possible.

Jeffrey M. Revels | Artistic Director

Jeff has directed many productions at Orlando REP including *Pete The Cat*; *How I Became a Pirate*; *Junie B. Jones Is Not A Crook*; *Judy Moody & Stink: The Mad, Mad, Mad, Mad Treasure Hunt*; *The Best Christmas Pageant Ever: The Musical*; *Rock The Presidents*; *Harry Connick, Jr.'s The Happy Elf*; and *Orphie and the Book of Heroes*. He directed Florida tours of *The Amazing Adventures of Dr. Wonderful (and Her Dog!)* and *Katie Couric's The Brand New Kid*. Jeff recently did some writing and consulting for Universal Orlando, Dollywood, and Dolly Parton. He wrote/co-directed large-scale stage spectaculars for the city of Manaus, Brazil, and wrote/directed digital films seen daily at Okada Resort in Manila, Philippines. Jeff received the Alumni Professional Achievement Award from Winthrop University and was spotlighted by the Orlando Sentinel as one of Central Florida's Most Fascinating People and one of Ten People Who Make Orlando A Better Place To Live. He received a Distinguished Career award from Florida Theatre Conference. He serves on many arts committees and panels including for the National Endowment for the Arts and the Advisory Board of UCF's Rosen College Entertainment Management Program. He served as Executive Producer for the *Orlando Citrus Parade* and is an Emmy-nominated writer for the *National Cherry Blossom Festival Celebration & Parade*, *Nashville Christmas Spectacular*, *National Memorial Day Parade*, *American Valor: A Tribute To Our Military*, and the *Philadelphia Thanksgiving Day Parade*, all nationally syndicated. Jeff is the founder of Conway Cares, an initiative that provides food for 150+ schoolchildren each week that are struggling with food insecurity. In 2015, the City of Orlando proclaimed "Jeff Revels Day" to honor his work.

Michelle Shea | Stage Manager

Is this the Krusty Krab? No! This is Michelle and she is ecstatic to join Bikini Bottom at the Orlando REP! You may have seen her stage managing around town at Orlando REP, Theater West End, Theater at St. Luke's, and Garden Theatre. Favorite shows include *Pete The Cat*, *Head Over Heels*, *Once*, *Children of Eden*, *Matilda Jr.*, and *Violet*. She thanks her family, friends, and mentors for showing her that "home is where you're surrounded by other critters who care about you." Follow her TikTok to see behind the scenes of stage management!: @mich511

Mary Sienko | Costume Shop Coordinator

Mary has had a lifelong love of theatrical costumes and cosplay. She is a graduate of the Savannah College of Art and Design with a BFA in Fashion Design. After working on costumes for local theaters in Georgia and interning in the Orlando REP costume shop in 2019/2020, she is thrilled to call Orlando REP home. She will always be grateful to her

Production Team Bios

wonderful parents for supporting her creative endeavors.

Anthony R. Smith | Sound Designer

Anthony is a sound designer, composer, actor, and musician based out of Orlando. This is Anthony's first show with Orlando REP, but he got his start in theatre in this very building almost 25 years ago while attending an improv summer camp as a teenager when it was still the Civic School of Theater Arts (CSTA) at the Civic Theater of Orlando! Anthony has a BA in Theatre from Florida State University where he sound designed several shows including *Amadeus* and *Murder at the Prom*, as well as new plays like *Quentin G.* by Joshua Mikel, which he also composed music for. Anthony works full time at Universal Orlando Resort as an audio technician and special assignment sound designer/composer where he regularly works on *Halloween Horror Nights*, Mardi Gras, special events, etc. Local theatre credits include: Sound Designer for *Cinderella* and Sound Designer/Composer for *Quills*. Orlando International Fringe Theatre Festival credits include: Sound Designer/Composer for *Hello* by John Mark Crawford, which toured all around the state and up to Edmonton, Canada; Composer for *Goodbye* also by John Mark Crawford, which had an off-Broadway run at the Soho Playhouse; and Composer, Lyricist, and Sound Designer for *Ferris Bueller's Day Off: The Unofficial Musical* based off the John Hughes film, book by Katie Ford and Robert Johnson.

Carrie Kasten Smith | Sr. Director of Production

Carrie has spent the past 18 years playing with Orlando Repertory Theatre as a stage manager, production manager, and coordinator for Orlando REP's internship program, sensory-friendly performances, and Design & Tech Academy (2015 - 2017). She holds a BFA in Theatre with a concentration in Stage Management from the University of Central Florida. Her greatest professional accomplishment is sharing her work with her son.

Charles Stevens | Music Director

Charles has surfaced from the world of *The SpongeBob Musical* just long enough to deliver this bio. While on land, he previously music directed *Pete The Cat* and *True North: A Magical New Holiday Musical* for the wonderful Orlando Repertory Theatre. While he has done many things in his varied career, he would like to highlight the ones of a nautical nature. Currently you can find him at Disney's Animal Kingdom playing Bruce the shark in *Finding Nemo: The Big Blue... And Beyond*, he music directed *South Pacific* at The Savannah Center in The Villages, his favorite local beach is New Smyrna, he is going on a cruise this April, he is music director for Legoland Florida's *Treasure Behold* (a pirate show!), and he went to school (see what he did there) at Rollins College, graduating with a major in Vocal Performance and minoring in education, earning him his teacher's certification here in sunny Orange County. As always, much love to his first mate, Lana, and his two favorite crew members, Finneas and Lincoln.

Kyle Wiehe | Director of Production & Scenery

Kyle lives in Mount Dora with his wife Becca and their labradoodle Poppy. After growing

up in Central Florida, he lived in Tennessee and Arkansas before making his way back to Orlando and joining Orlando REP in 2013. Some of Kyle's favorite Orlando REP shows have been *A Christmas Story The Musical*, *Disney's Newsies*, and *Madagascar - A Musical Adventure*. In his free time, Kyle enjoys reading, playing the guitar, and photography.

Kathleen Wilkinson | Assistant Stage Manager

Kathleen is ecstatic to be back with Orlando REP as an Assistant Stage Manager! Her previous Orlando REP credits include *Disney's Freaky Friday The Musical* (Assistant Stage Manager) and *Yo! Ho! Ho! Let's Go!* (Rehearsal Stage Manager). Other credits include: *Static Space* (Stage Manager) with Orlando Shakes' PlayFest, as well as *Fabulation*, or *The Re-Education of Undine* (Stage Manager), and *The Wolves* (Assistant Stage Manager) with Theatre UCF. She thanks her friends and family for their love and support, and she hopes you enjoy this sponge-tastic production!

THE SPONGEBOB MUSICAL

QUESTIONS FOR THE RIDE HOME

- 1 The *SpongeBob Musical* takes place under the sea in a fantastical world called, Bikini Bottom. Characters inspired by both real and imaginary creatures live there. What are your favorite ocean species? Do you think any of them would make for interesting characters?
- 2 Do you know the idiom or expression “glass half full?” What do you think it means? How does this fit the character of SpongeBob? What is one way you practice optimism in your own life? Do you find it challenging or are you able to see the “glass half full” too?
- 3 Sandy is made to feel like an “outsider” during the show. Why do you think that is? How do the characters navigate differences?
- 4 When things go wrong in life, we tend to look for someone or something to blame. Can you think of a time in your life when you jumped to blame someone or something instead of seeking a solution? How could you approach the situation differently next time?
