United Arts is Central Florida's local arts agency that supports artists, creatives and arts organizations across the region. Through our programs, funding, and resources, United Arts helps local organizations serve more and do more. With the help of our community, the nonprofit organization ensures that the arts stay accessible to everyone in Central Florida. Since 1989, United Arts has raised over \$190 million towards art, arts education, culture, science and history — an ongoing effort to enrich our community and inspire future generations.
